

Straen gymnastikk- og turnforening (Stavanger, Norway) is considering hiring an experienced Rhythmic gymnastics coach, to ensure club and gymnast development at the elite/high performance level.

This is a fulltime, 100 % position, with 30 hours in the gym pr. week + admin-work. The contract period is from August/September 2021 to June 2022, with the intention to extend the period of engagement. You will work in a team with 3 other fulltime coaches and other assistant coaches.

The club wants to increase the quality of training for the gymnasts with international ambitions and potential, and is therefore in the search for a new addition for a great coaching team:

Are you our new High-performance Rhythmic gymnastics coach?

Coach commitment

The coach is committed to coach in accordance with sport ethics, and the respect of gymnast development independently of age and level, and follow plans made by the head coach and follow the guidelines of the club made by the board.

Coach mission

- Coach with the purpose to develop each high-performance gymnast (junior and senior), but also contribute to develop overall training quality
- Act and coach according to Straens core values both in the gym, and competitions.
- Maintain necessary competence level to perform as a high-performance coach.

Coach tasks

- Make, execute and follow-up training and development plans for the club's high-performance gymnasts
- Choreographing routines, including finding and mixing music
- Daily training (morning and afternoon) of high-performance gymnasts, but also other gymnasts in the club
- Administrative tasks following the role as a coach
- Participate in training camps, competitions, courses and meetings, with possible extensive travelling
- Co-operate with head coach and other coaches, and contribute to the overall development of club and club culture
- Co-operation with federation and national team coaches
- Co-operation and dialogue with school coaches, specialists and gymnasts' parents

Skills and qualifications

- University degree education- either dance, ballet and/or sports science.
- Long experience as high-performance coach, judge, and/or gymnast can compensate lack of education
- Good written and oral English.
- Team player with good co-operation skills
- Highly skilled in communications and learning techniques
- Long experience as high-performance coach, judge, and/or gymnast
- Engaged and a big heart for the sport
- Willingness to adapt to the club's core values

Application and/or questions can be sent to cathrinelanne@straengt.no within 1st. of August.
